

Student Poster Contest Guidelines

We strongly recommend A0 sized poster (33.1 × 46.8 inches) in landscape orientation.

We will provide a standard pin-up board which will be approximately 48 inches wide and 48 inches tall.

We request you to take note of the following:

1. The poster must be legible from a distance of two meters.
2. Lettering in text and figures should be at least 5 mm, and the headings should be at least 10 mm.
3. The title, the authors, and their affiliations should appear near the top of the poster in letters.
4. Use high contrast but soothing colours.
5. Provide any acknowledgement at the end.

Participants are requested to add logos of PERA'24 and IEEE PES SBC IITK at the header of your poster along with the logo of your institution.

Also, please note that participants are advised to bring hard copies of their posters at their expense. Please be aware that we will not provide a printing facility. However, participants can have their posters printed at any of the campus print shops, subject to availability and at their own expense.
